Fields of Study	University of Graz is a public university with an enrolment of 31.100 students and a strong international profile offering more than 120 BA, MA and PhD degrees which are open to exchange students (except for a few restrictions - see below). https://www.uni-graz.at/en/study/prospective-students/
	<b>Focus:</b> The university's regional focus on South-Eastern Europe is one of the defining factors throughout all areas of study.
	<b>Co-enrollment:</b> If academically relevant, exchange students can co-enroll at other Graz universities (e.g. Graz Univ. of Technology, Kunstuniversität Graz) after arrival at no extra cost. A min of 50 % of ECTS during the exchange must be taken at University of Graz. Courses taken at another Graz university will come on a separate transcript.
Course information English-taught courses	<ul> <li>→ Guidelines for course search</li> <li>→ Online Course Guide</li> <li>→ Search for English-taught courses</li> </ul>
Restrictions	Lab placements are generally difficult and cannot be guaranteed.
	<b>Joint Degree Programs</b> are only open to exchange students enrolled in one of these programs already at their home university (= partner in the Joint Degree program).
	An application for <b>translation/interpretation/transcultural communication with German</b> is only possible if students have a clearly identifiable focus on the German language in their degree at the home university.
Early exams / Alternative exam modes	Cannot be guaranteed! Please note that <u>each professor decides</u> for his/her course whether early exams / alternative exam modes are possible. It is the <u>student's responsibility</u> to contact each professor as early as possible in the application process
